Warranty*	80% of Estimated Life, to a maximum Warranty period of 3 months		

Warranty:

All PinPoint Tags are warranted to be free of defects in materials and workmanship under Normal Use for a period of 80% of Estimated Life for the first deployment schedule, unless otherwise specified, to a specified Maximum Warranty Period. The Tags should function (meaning to charge and take fixes) for the entirety of the Tag's Maximum Warranty Period.

[†] Tags can be customised to be more robust if needed, or include tubes for fitting harnesses. Note that these options will add weight.

Please contact one of our Avian Telemetry Specialists to discuss your project.
